14. A POCKET DICTIONARY: Or, *Compleat English Expofitor*: Shewing readily the Part of Speech to which each word belongs; its true Meaning, when not self-evident; and various Senses, if more than one, placed in proper Order; and the Language from whence it is derived pointed out immediately after the Explication. Also the Technical Terms are clearly explained; every Word is so accented, that there can be no uncertainty as to the Pronunciation. And the Names of the Cities and principal Towns, their Distances from London, their Market-days and Fairs, according to the New Style, alphabetically interspersed; with other useful Articles. To render this Book compleat, many modern Words are introduced, which are not to be found in other Dictionaries; and to make it more concise and portable, such Words are omitted as,
